

Fostering the local data management community through professional education and development.

### Patron Partnerships

**Silver Patronage** is for corporations that have multiple employees at chapter meetings, and are interested in more employee members and basic advertising opportunities.

**Gold Patronage** is for corporations that have multiple employees at chapter meetings, and are interested in more employee members and preferred advertising opportunities.

**Platinum Patronage** is for corporations that have multiple employees at chapter meetings, and are interested in unlimited employee members and premium advertising opportunities.
